

RHIWLAS GREEN ENERGY NETWORK

Connecting renewable energy to homes and businesses to address the climate emergency

Consultation open: 15 November 2023 – 10 January 2024

About you

Title:

Name:

Organisation (if applicable):

Address:

Postcode (please only include first three/four digits if preferable – e.g., SY17):

Do you own or occupy land within the area we have identified for the proposed route corridor (please tick)?

Yes

No

If yes, have you been contacted by our lands team (please tick)?

Yes

No

Age group (please tick): Under 13 14-25 26-40 41-55 56-70 Over 70

Email address:

Would you like to be kept up to date about future stages of the project (please tick):

Yes

No

How we will use your feedback

We will use your feedback to review the decisions we've made to date and to inform our work going forwards. Our next steps will involve more detailed routing options and identifying locations for the wood poles and additional infrastructure.

ABOUT THE RHIWLAS GREEN ENERGY NETWORK

Q1

Do you have any overall comments about the preferred route corridor we have identified for the Rhiwlas Green Energy Network?

Q2

Are there any factors you feel have not been considered in the identification of the preferred route corridor?

Proposed corridor sections

The preferred Rhiwlas Green Energy Network route corridor has been set out in three main sections to enable you to provide more specific comments and feedback. Please indicate which section, or sections, you are referring to in your response (tick all that apply):

Cefn Coch (Llyn Lort Energy Park) – Carno – Trefeglwys

Trefeglwys – Llanidloes – Llangurig (Rhiwlas Energy Park)

Rhiwlas Energy Park – Banc Du Energy Park

Q3

Do you have any specific comments or issues you would like to highlight as we develop our proposals for the corridor sections?

Community Benefit

Q4

Bute Energy's Community Benefit Fund will seek to maximise the positive impact of its projects for the communities closest to them. Please indicate which of the following key themes you think should be focused on in the local area (please tick).

Cost-of-living support

Education

Employability

Environment & Culture

Recreation & Health

Q5

What would you like to see the Community Benefit Fund invested in within your area and are there any groups, projects or initiatives who you think we should speak to?

THESE NEXT TWO SECTIONS ARE OPTIONAL. PLEASE FEEL FREE TO ANSWER THEM IF YOU WISH.

Climate change and our energy supplies

Q6

To what extent do you agree or disagree with the following statements (please tick):

Renewable energy has an important role in the fight against climate change.

- | | |
|---|--|
| <input type="checkbox"/> Strongly Agree | <input type="checkbox"/> Disagree |
| <input type="checkbox"/> Agree | <input type="checkbox"/> Strongly Disagree |
| <input type="checkbox"/> Neither Agree nor Disagree | |

More renewable energy generation in Wales would make us less reliant on imported energy and help to guarantee secure energy supplies in the future.

- | | |
|---|--|
| <input type="checkbox"/> Strongly Agree | <input type="checkbox"/> Disagree |
| <input type="checkbox"/> Agree | <input type="checkbox"/> Strongly Disagree |
| <input type="checkbox"/> Neither Agree nor Disagree | |

Renewable energy developments in Wales are being held back by a lack of grid infrastructure to connect them to power networks.

- | | |
|---|--|
| <input type="checkbox"/> Strongly Agree | <input type="checkbox"/> Disagree |
| <input type="checkbox"/> Agree | <input type="checkbox"/> Strongly Disagree |
| <input type="checkbox"/> Neither Agree nor Disagree | |

About the consultation

Q7

How did you hear about the consultation (please tick)?

| <input type="checkbox"/> Post | <input type="checkbox"/> Via the website | <input type="checkbox"/> Local media | <input type="checkbox"/> Social media | <input type="checkbox"/> Word of mouth |
| <input type="checkbox"/> Other If 'other', what was this? | | | | |

Data Protection

Green GEN Cymru (a company within the Bute Energy Group) is committed to protecting your personal information. Whenever you provide such information, we are legally obliged to use it in line with all applicable laws concerning the protection of personal data, including the UK General Data Protection Regulation (GDPR).

How will Green GEN Cymru use information we collect about you?

We will use your personal data collected via this consultation for our legitimate business purposes, including:

- To analyse your feedback to the consultation
- To produce a Pre-Application Consultation Report, based on our analysis of responses (individuals will not be identified in the Report)
- To write to you with updates about the results of the consultation and other developments if you have opted in to receive these updates.
- To keep up to date records of our communications with individuals and organisations.

Any personal information you include in this form will be handled and used by (or made available to) the following

recipients to record, analyse and report on the feedback we receive:

- Green GEN Cymru (a company within the Bute Energy Group)
- Bute Energy (development services provider to Green GEN Cymru)
- Planning Environment Decisions Wales (PEDW) (which will consider our application for consent to build the Rhiwlas Green Energy Network and the associated energy parks – any details published as part of this process will be anonymised)
- The Welsh Ministers
- Our legal advisers
- Consultants working on the Rhiwlas Green Energy Network and associated energy park projects.

What rights do I have over my personal data?

Under the terms of the UK GDPR, you have certain rights over how your personal data is retained and used by Green GEN Cymru. For more information, see our full data privacy statement visit www.rhiwlasGEN.wales.
